- Task Manager

##### DOMAIN 2.0 - SECURITY

## 2.6 Compare and contrast the differences of basic Microsoft Windows OS security settings

- Users and groups
  - Administrator

### EPISODE: WINDOWS 7 TASK MANAGER

#### CORE 2 EXAM OBJECTIVES

#### DOMAIN 1.0 - OPERATING SYSTEMS

---

#### 1.5 Given a scenario, use Microsoft operating system features and tools

- Task Manager
  - Applications
  - Processes
  - Performance
  - Networking
  - Users

### EPISODE: WINDOWS 10 TASK MANAGER

#### CORE 2 EXAM OBJECTIVES

#### DOMAIN 1.0 - OPERATING SYSTEMS

---

#### 1.5 Given a scenario, use Microsoft operating system features and tools

- Task Manager
  - Applications
  - Processes
  - Performance
  - Networking
  - Users

### EPISODE: INFORMATION AND CONFIGURATION TOOLS

#### CORE 2 EXAM OBJECTIVES

#### DOMAIN 1.0 - OPERATING SYSTEMS

---

#### 1.5 Given a scenario, use Microsoft operating system features and tools

- MSConfig
  - General
  - Boot
  - Startup
  - Tools
- System utilities
  - MMC
  - Msinfo32

### EPISODE: PERFORMANCE MONITOR

#### CORE 2 EXAM OBJECTIVES

#### DOMAIN 1.0 - OPERATING SYSTEMS

---

#### 1.5 Given a scenario, use Microsoft operating system features and tools

- Administrative
  - Performance monitor

### EPISODE: EVENT VIEWER

## CORE 2 EXAM OBJECTIVES

### DOMAIN 1.0 - OPERATING SYSTEMS

---

#### **1.5 Given a scenario, use Microsoft operating system features and tools**

- Administrative
  - Local Security Policy
  - Event Viewer

### EPISODE : TOOLS FOR PROGRAMMERS

## CORE 2 EXAM OBJECTIVES

### DOMAIN 1.0 - OPERATING SYSTEMS

---

#### **1.5 Given a scenario, use Microsoft operating system features and tools**

- Administrative
  - Component Services

\*This document can be used to determine what CompTIA A+ exam objectives are in each episode, as well as map where those objectives are in the official “CompTIA A+ 220-1101 Exam Objectives (2.0)” PDF resource that accompanies this course.

\*\*Why am I seeing different Core exams than what I’m studying? In some cases, you may be watching a video series that focuses on the Core 1 exam, however some of the episodes contain Core 2 exam objectives, or vice versa. There are 2 reasons for this: 1) The other Core exam topic is covered to give you a better, fuller understanding of the surrounding topics, and 2) Some episodes contain information from both Core exams because the topics coincide with each other and are more easily taught in 1 episode than breaking them out into separate episodes.
