

Let's set a meeting. We'll discuss whom to give the promotion to. I will accept almost any of the candidates, so I need help choosing the best person. I think I know whom to choose, but I am not 100% certain. It's going to be easier together. All the candidates passed the skills tests they were given. You're going to be a lot of help - thank you! If we decide together, it will be better than if I had to decide on my own.
