

Lets set a meeting. Well discuss whom to give the promotion. I will except almost any of the candidates so I need help choosing the best person. I think I know who to choose, butt I am not 100% certain. Its going to be easier together. All the candidates past the skills tests they were given. Youre going to be a lot of help - thank you! If we decide together, it will be better then if I had to decide on my own.
