

STORY OF YOU

You Have Been Writing It

- You imagine your character - it's been going on for a very long time, now part of your self-identity
- Example in Malcolm Gladwell's book Outliers where kids had selves self-reinforcing thoughts
- Interpretation of outcomes becomes the foundation for next outcomes

My And Your Story

- No resources, underdog? Turn it into a story of thriving with hard work
- With my hands and my brain, I can thrive in a fair environment
- Show, don't tell - with projects, past work success, self-motivated study like this course

What Can You Do For Me?

- Creative solutions? Reliability? Do you go the extra mile?
- Do you try extra hard? Reliable? Smart? Work long hours?
- Don't know? Ask the hiring manager where they need help
- Attention to detail, reliability, working independently at a high-level of quality, minimal instruction
- Most important - apply to the right position where your true skills will be used
